SITE APPLICATION PROCESS

1. Lay the base mat

Clean the ground  
and lay the artificial  
grass mat.

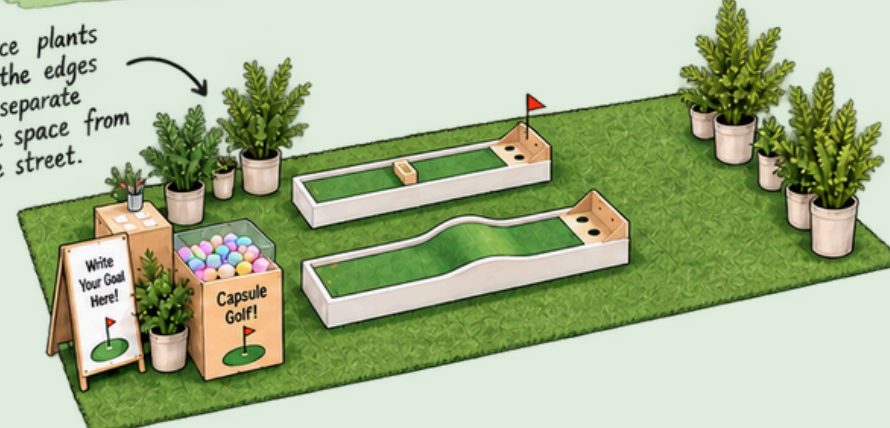

2. Install the Golf Course & Wish Station

3. Add plants to define the space

Place plants  
at the edges  
to separate  
the space from  
the street.

4. Set up the Sittable Area & Canopy

Install the canopy  
and cardboard benches  
for a comfortable  
sitting area.
